

Greetings Habitat Volunteer,

Thank you for your interest in participating with Habitat for Humanity Saint Louis as a community service volunteer. Habitat Saint Louis is excited to bring people together side by side with other volunteers and our homebuyers as we make a difference in the St. Louis metropolitan community.

Habitat Saint Louis offers individuals the opportunity to earn community service hours through a wide variety of volunteer opportunities. Volunteers can collect community service hours for many reasons including high school, college, trades & some court ordered offenses.

Included in this packet are:

- **How to Get Community Service Hours**-details of the types of community service volunteers we can accommodate at our affiliate and how to go about getting started in the process.
- **Court Ordered Community Service Policies and Procedures**-outlines the steps that must be taken for an individual prior to starting their court ordered community service with us. As these rules are different from any other type of community service volunteering, please read this section carefully if it applies to you.

**Important Reminders:**

- All volunteers are required to be at least 16 years old.
- No volunteers under the age of 18 years old are permitted to use power tools or be on ladders.
- Court ordered community service volunteers are subject to all of the same opportunities, rules and responsibilities that apply to any other individual volunteer.
- **All volunteers must arrive on time. Late arrivals may not be allowed to stay and volunteer.**

We know this will be a fun and rewarding experience for you, and we hope you enjoy your volunteer day! Please feel free to email or call with any questions.

Sincerely,

Habitat Saint Louis Volunteer Services
