HOMEREMODELING? USE OUR DECONSTRUCTION TEAM!

Planning a major remodel or demolition?

Our team of staff and volunteers removes donated materials from homes — everything from appliances and plumbing fixtures to cabinets and more. The homeowner receives a donation receipt for all of the materials removed, and these items are then taken away the same day and sold in our store or recycled.

There is a suggested monetary donation for this service which offsets the costs of travel and materials needed for the project. Contact the ReStore Manager at 314-678-4596 or deconstruction@habitatstl.org.
